Community Reminders

Flushable Wipes

Please do not flush wipes down the toilet. Even though they may be marketed as flushable wipes, they clog the sewer system. Homeowners may be held responsible for damages.

Fireworks & 4th of July

As you celebrate, please be respectful. We have veterans with Post Traumatic Stress Disorder within our community. Fireworks are dangerous and disruptive in close communities. Please report those using illegal fireworks to RowCal and the police.

Visitor Parking Passes

Visitors need a parking pass from midnight to 7AM. Please allow 2-3 business days to obtain a visitor parking pass. Contact RowCal to get a parking pass.

Noise Complaints

The HOA covenant says, "Any activity that creates a disturbance or annoyance at any time of the day or night that denies the peaceful enjoyment of one or more other units [is prohibited]." Please be considerate of loud noises affecting your neighbors. You can file a noise complaint to RowCal.
