**Community Reminders**

**Crime Prevention Officer**

Report non-violent crimes or suspicious activity to our designated community officer. Record videos to use as evidence. Officer Chris Ausec (719) 444-7246 or Christopher.ausec@coloradosprings.gov

**Parking in Fire Lane**

Private vehicles are *not* allowed to park in fire lanes. Violators will be towed at the owner's expense. To report a violator, send a photo of the vehicle to Collinstowinginc@outlook.com or call 719-578-8014. This policy *excludes* commercial vehicles such as moving trucks, plumbers, landscaping, etc. Commercial vehicles should minimize their presence and be prepared to move the vehicle as needed.

**Carport Violations**

Carports are meant for licensed vehicles only. Trash cans are *not* allowed to be stored in carports and neither are grills, tires, furniture, etc.

Trash cans should be put out the morning of trash pick-up and put away in the evening. Trash should not be left outside overnight. This protects our community against theft, unnecessary weathering of carports, and rodents. Violators may be fined.

**HOA Projects**

**Building Representatives**

To increase connection and communication with residents, each building will have a "building representative." They will be the person of contact for questions, direction, and connection within their building.
